TITLE	WEBADDRESS	COMMENTS
AATCC review (American Assoc'n of Textile Chemists+colourists) ACASA newsletter (African Studies Association Arts Council	www.aatcc.org www.h-net.msu.edu/~artsweb/acasa/acasa.html	. FT available from current issue only. Access to information about AATCC committee meetings, staff contact details, details of student events and news such as scholarships, research grants, competitions etc. Access to information about ACASA awards, initiatives and newsletter
Africa and Middle East textiles = Textiles Afrique et Moyen Orient African journal of physical, health education, recreation and dance	www.AlainCharles.com/ www.ajol.info/	. Abstracts and TOC available for current issue only. Has information on other publications. . Tables of contents and abstracts available from 2002.
African textiles	www.AlainCharles.com/	. Click on Africa. The publications will be listed. Click on the title. The content page and selected FT articles from the current issue is available. Has information on other publications.
Agriprobe Agrireview	www.elsenburg.com/agriprobe.html www.sabinet.co.za/ www.journals.co.za/ www.standardbank.co.za/	1st, 2nd & 3rd website . FT articles available from 2004. . FT articles available from 2000.
Amanzi: newsletter of the Water Research Commission	www.wrc.org.za/	. Full-text articles available from Nov 2002. FT articles available from other publications,links to websites, contact information, events, news on latest developments, profile of the organisation, research proposals and projects. .Contents and synopsis of articles from 1999.
American craft	www.craftcouncil.org/	Has information on events, exhibitions, shows, craft and the council.
American journal of clinical pathology Anaerobe	www.ajcp.com www.sciencedirect.com/	. Has information on seminars, research papers and links. . Fulltext articles available from 1999

Analyst	www.rsc.org/ www.swetswise.com/direct.do	. Fulltext articles available from 1997. Contents available from 1876. Ft articles available from other publications. Has information on the latest industry news, conferences and events. Fulltext articles available from 1997.
Analytical chemistry Analytical letters	www.pubs.acs.org/ www.informaworld.com	. First page available from 1947 - 1995. Abstracts available from 1996. Fulltext not free of charge. . Fulltext articles available from 1968. . TOC available from 1983. Abstracts available from 1996. Has abstracts from other publications.
Annual review of immunology	www.annualreviews.org/	. Citations available from 1947 - 2001. Abstracts available from 2002. Has abstracts from other publications.
Annual review of microbiology	www.annualreviews.org/	. Abstracts available from 1995. FT articles available from 1953. Has FT articles from other publications as well.
Applied and environmental microbiology	http://aem.asm.org/ www.pubmedcentral.gov/ www.springerlink.com/	. Fulltext articles available from 1997. Fulltext articles available from 2006.
Applied microbiology & biotechnology	www.swetswise.com/direct.do	. FT available from 2003. Website has useful links and free FT online access to other journals available on the website. FT available from 2001.
Appropriate technology	www.researchinformation.co.uk/ http://proquest.umi.com/login www.swetswise.com/direct.do	. FT available from 2003. FT available from 1998.
Bioremediation journal	www.informaworld.com	. Has information on events, programmes, conservation science, interesting links and contact information.
Bothalia : a journal of botanical research BP magazine	www.sanbi.org/ www.bp.com/	. FT articles available from 2004. . Has information on other publications and contact details.
Bulk handling today	www.promech.co.za/bulk/Archive.htm	. TOC available from 2000. Has information on events, other publications, websites, memberships, training and contacts..
Cereal foods world Certificate (Inst of Certified Mechanical & Electrical Engineers of SA) CET Bulletin	www.accnet.org/ www.icmeesa.com/ www.engineeringchamber.mirrorz.com/	. Has information on events, websites, memberships, other publications. . FT articles available from April 2004.

Chemical fibers international	www.chemical-fibers.com/	. FT available for current issue but each individual must register. Access via user id and password. Five simultaneous users only. FT articles available from 2000.
Chemistry and industry Chemistry international : the news magazine of the International Union of Pure and Applied Chemistry	www.chemind.org www.iupac.org/publications/ci	. FT articles available from 1997. . Click on Maritime, click feedbacks and select Maritime. Fulltext articles available from 2003 Autumn. Has information on air transport, general aviation. . Fulltext articles available from 2003. Has information on events, interesting links, contact info etc. . Has information on meetings, events, hydrological discussions, consultations, surveys etc. . TOC available for current issue.
Chirp feedback	www.chirp.co.uk	
Chromatographia	www.springerlink.com/ www.chromatographia.de/	
Circulation : the newsletter of the British Hydrological Society Climbing	www.hydrology.org.uk www.climbing.com/	. Abstracts articles available from 1998.
Clinical chemistry and laboratory medicine	www.atypon-link.com/WDG/loi/cclm	
Coloration technology Communications Africa	www.blackwell-synergy.com www.sdc.org.uk/ www.swetswise.com/direct.do www.alaincharles.com/	and remotely. For remote access please see user id and password. FT articles available from 1999. FT articles available from 1999. 3rd website . FT articles available from 2006. . TOC available for current issue only. . Has information on upcoming features, events and contact info.
Confectionery production Consortium : the newsletter of the Consortium for Mathematics and its Applications	www.confectioneryproduction.co.uk/ www.comap.com	. TOC available for current issue.
Critical reviews in analytical chemistry	www.informaworld.com www.swetswise.com/direct.do www.springerlink.com	. FT available from 1989. FT available from 2006. FT available from 1997.
Current microbiology	www.elsevier.com/wps/find/bookseriesdescription.cws_home/BS_DFS/description	. TOC available from 1991.
Developments in food science Dr Dobb's journal : software tools for the professional programmer	www.ddj.com	. Fulltext articles available for current issue.

Durban Museum novitates Education in chemistry	www.durban.gov.za/durban/discover-durban/our-durban/museums/nsm/pubs www.rsc.org	. Has information on other publications, news etc. . Fulltext articles available from Nov 2004.
Engineering : go for it	www.engineeringk12.org/	. TOC of current issue available. Has information on workshops, outreach programs, free newsletter for engineering teachers.
Engineering and technology	www.theiet.org/	. Fulltext articles available from current issue only. Contents and abstracts available from 2004. FT articles available from other publications and has information on technical articles, industry news, events and training, current awareness and career development.. Access via ID + password. Fulltext articles available from 1996
Fairplay : the international shipping weekly	www.fairplay.co.uk	Access via ID + password. Fulltext articles available from 1996
Fairplay Solutions FEM industrial buyer	www.fairplay.co.uk www.buyindustrial.co.za	. FT available for current issue only. Access via IP address. Selected FT articles available. Has information on nutrition, latest news, photos, training, newsletters, women's bodybuilding and interesting links.
Flex Floraculture international : the business magazine for floriculture worldwide Food info Food manufacture	www.flexonline.com www.floracultureintl.com www.foodsciencecentral.com/ www.foodmanufacture.co.uk/	. FT articles available from 2007. . FT articles available for current issue only. . Abstracts and TOC available from 2004.
Food protection trends : science and news from the International Association for Food Protection Food review : the journal for food and beverage manufacturers	www.foodprotection.org www.foodreview.co.za/	. Abstracts available from 2001. TOC available from 1999. Has information on other publications, memberships, events, workshops, education etc.
Food science & technology : information quarterly of the Institute of Food Science and Technology	www.ifst.org/	. Selected FT available from 2006. . TOC available for current issue only. Has information on other publications, memberships, events, workshops, education etc.

<p>Food Technology For engineering educators : newsletter of the Centre for Research in Engineering Education</p>	<p>http://members.ift.org/IFT/Pubs/FoodTechnology/Archives/</p>	<p>Access via user id. Fulltext articles available from 1999. Click on "Non member subscribers: Read these instructions", then click on "Do you use an agency? CLICK HERE" on the right hand side of the screen. Type in the user id/order no. Has information on other publications, latest news, scholarships, awards, events, research, reports and policy.</p>
<p>Garden design</p>	<p>www.cree.uct.ac.za/</p>	<p>. FT available from 2000. . TOC available for current issue only. Has information on events, garden designs, growing, links etc.</p>
<p>Gardener (The gardener South Africa)</p>	<p>www.gardendesign.com/</p>	<p>. Has information on plant profiles, events, gardening tips etc.</p>
<p>Green chemistry</p>	<p>www.thegardener.co.za/ www.swetswise.com/direct.do www.rsc.org/Publishing/Journals/gc/index.asp</p>	<p>. FT articles available from 1999. FT articles available from 1999.</p>
<p>Groundsman</p>	<p>www.iog.org/</p>	<p>. Has information on related links, events, news etc.</p>
<p>Grower talks</p>	<p>www.growertalks.com/</p>	<p>. Selected FT articles available from current issue only.</p>
<p>Hali : carpet, textile and islamic art</p>	<p>www.hali.com</p>	<p>. Contents and abstracts of current issue only. Has information on events, fairs, conferences, newsletters and related links.</p>
<p>Horizon : the global publication for BP people</p>	<p>www.bp.com</p>	<p>. Has information on environment, news, education, FT of other publications and interesting links.</p>
<p>Horticulture week</p>	<p>www.hortweek.com</p>	<p>. Fulltext articles available from March 2003.. . UK edition. Abstracts available for current issue only. Has information on bathroom and kitchen deco and contact info.</p>
<p>House & garden (USA)</p>	<p>www.houseandgarden.co.uk/</p>	<p>. FT articles available from May 2004 to present. Has contact information, related links, events, awards and bursaries, interest groups, other publications, codes of principals and ethics, SCI annual review and by-laws.</p>
