LIBRARY TECH WEEK
04 - 08 August 2025

Dear Staff, Students and Researchers

The DUT Library will host **Tech Week** from **4 to 8 August 2025** across all site libraries to promote innovative library and university technologies, resources, and tools. The week will feature technology experts and learning partners from DUT and beyond who will share updates on key systems such as cybersecurity, multi-factor authentication, and the Student Information System. It will also highlight emerging technologies like robotics and offer student training on AI-enabled library resources, including Quickfinder AI, Scopus AI, ScienceDirect AI, and the Web of Science Research Assistant.
